Information for contractors No. 2

Concerning: proceedings conducted in the framework of request for quotation, the subject of which is:
Sequencing of entire genomes of 290 domestic cattle.

The Ordering Party replies to the queries of contractors as follows:

Question:

Paragraph 3, section 2 states:

...Platform to be used – BGIseq.

We request that our offer can be submitted as follows::

...Platform to be used – BGIseq or NovaSeq6000.

We motivate our request by the fact that the readings from the NovaSeq6000 camera are more accurate.

Reply: Due to the fact that the current set of samples were sequenced the BGIseq platform, sequencing must be continued on the same platform.
