

HOW TO PRINT TABLE FOR CREDITS

STEP 1. Login to the online registration system and click on: „Documents printing” on the left panel.

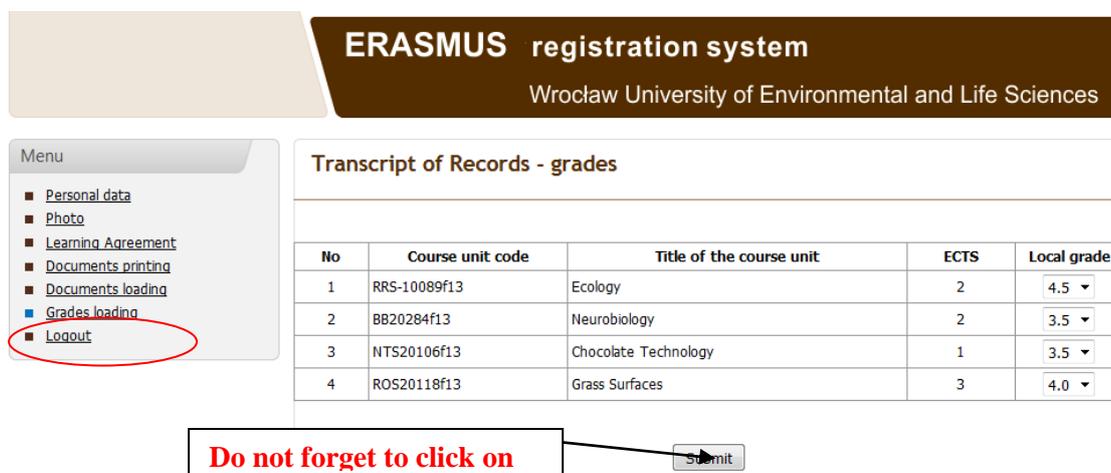

STEP 2. Click on: „Credits” (valid only at our University); choose appropriate semester (winter or spring), print the document

STEP 3. The printed document has to be given to your teachers for putting your grades and signing.

STEP 4. Login to the online registration system and click on: „Grades loading” on the left. You must put grades in the system yourself, but they can't be different from those in the **Table for Credits** signed by your teachers.

You must complete document with Credits after the first and the second semester SEPARATELY.

STEP 5. Deliver filled “Table for Credits” to your departmental Coordinator
